One thousand 1 and one nights

Han Seung-lee - Jeon JinSeok

Everyone knows the story of *Thelma & Louise*, but few remembered tales as *the Arabian Nights*. For one thousand and one nights, the slaves told the wealthy entertainment the most telling and eventually turned her life in this manner, and *Thelma & Louise* is a girl who wanted to save her father from the most telling by attempting to get her. However, when he gets his life on the line, what kind of things and how many things would he tell?

One thousand and one nights

This novel based on one of the greatest classical tales, *Arabian Nights*, might just bring you back to another time (past and one night).

The princess
was very jealous
of Leo

She knew that she was
beautiful and powerful
but she never knew
about happiness

Even under
such torture,
she still
said...

YOU'RE
FREE...

WHAT?

WHAT
DO YOU
CARE?

YOU

GOOD. ILL SHOW
YOU THESE EYES. YOUR

And then, the
princess realized

that she was also
treasuring the man of
that savage man-

She could not
feel her wounds

could not
feel the pain
and hatred.

I WILL
FORGIVE YOU

AND WHEN
YOUR NAME IS
MY HEART

The princess did
not know what to
do, except stand
there and watch,
while Galad mumbled
the girl's name.
